### The Premises:

Fenny Stratford location.

### The Lady:

Morgan is gorgeous, and comes as described with a fun and laidback attitude. First time with her and she's a great girl to spend time with.

### The Story:

Pictures always attracted me and finally another journey down coincided with Morgan's availability.

Came into the room looking stunning and very smiley, quite tall before she kicked off her heels! Quick room change and we relaxed, she gave me a quick back and neck rub before we got comfy on the bed.

Started with some good owo before I then had to go down on her. Pulled me up onto her for a spell between her babies! On with the cap, doggy, mish and cowgirl which were all top drawer! She climbed off and gave a quality hand job after commenting on my stamina. 5 mins left and she wanted me to come so had her from behind leaning against the wall before a CIM finish.

All in all a great girl, she's fun, sexy and definitely worth a visit. I'll see her again I'm sure, hopefully in a duo. Thanks Morgan.
