### The Premises:

Central mk location, near the sainsburys. Cheap enough parking if you find a space in the purple section.

### The Lady:

Second time with Elizabeth, and she's still beautiful. Tall, slender, smooth and gorgeous.

### The Story:

Second punt of the day, and by the end of this I was finished! Showered before Elizabeth came in; she recognised me from my previous visit to her roughly a year ago. Spent a little time catching up before we got down to business.

Started with some lovely owo before returning the favour. Usually like to spend longer on these but with time a premium, I waited till I felt her arching her back some before asking for the cap.

A few standard positions before finishing in cowgirl. She had a massive smile on her face when I came... Elizabeth had questioned whether I'd be able to again but there was never any doubt with her on this form!

An absolute beauty and well worth a visit. Hopefully I'll get a chance to see her again on my travels down!

Thank you babe x
