The Story:

Arrived and sorted out the paperwork. Didn't take long for her to be on her knees swallowing my cock whole, you don't even need to face fuck this girl she happily deepthroats you, I face fucked her anyway just for fun. After a good amount of time with my cock down her throat she looked up and asked if I was ready to fuck her, told her I was going to fuck her up the ass, which she was happy with as long as I was gentle. I got a nice little whimper out of her when I squeezed into what is possibly the tightest ass in the world. Started off slow like she asked, but I was soon ramming her and she was begging for more. After probably 10 minutes of me slamming this girls poor asshole I peaked. Her gaping ass really is a sight to see. She started giving me a massage but she couldn't keep my balls out of her mouth and soon she had my cock down her throat again, fucked her pussy this time and had her watch herself in the mirror. She told me to finish in her mouth so I did and she loved it. Pretty sure this girl loves cock almost as much as I loved fucking her.
