The Lady:

Absolutely stunning, her pictures on the website hardly do her justice, however what is not shown is that she has a large tattoo on her right thigh, plus some further small ones on body.

The Story:

The session starts slowly on the bed with some kissing and playing with Alya's enhanced tits. Then on Alya starts to give my cock some attention and starts a rather nice BJ, I get her to swing into a 69 so that I can give her pussy some attention. Soon Alya starts to moan as I lick her cunt and the next I know is that she gives up the BJ as she starts to really grind her sweet wet pussy into my mouth so that my tongue is deep inside her as moans get more intense as she comes, I'm in heaven, though breathing does becomes difficult at times.

Climbing off me, Alya goes back to sucking my cock for a bit more. On with the condom, into reverse cowgirl with her leaning forward so that I can see everything, as my cock slides in and out of her. Then we move on to doggie with her at the end of the bed and me stood up as I find this more comfortable than kneeling on the bed, my knees can't take it for very long. To finish I wank off as I get her to play with herself during which she spreads her pussy wide open.

An amazing 30 minutes.
