The Premises:

Decent flat between Paddington and Bayswater. It had one of those old open lifts where you need to close two sets of doors before it operates. Haven't got a clue if it was working or not and the guys at the reception were giving me dodgy looks, so I thought it best to take the stairs. Her flat itself was alright; nothing to write home about as usual.

The Lady:

As is often the case with the Thai ladies, it was her but, again, moderate photoshopping involved and the photographer is very good at angling them in a way that they all look like almost perfect Instagram models. One of the other website with Thai WGs on it has some selfies which are closer to real-life and her earlier photos even give you a better idea of her shape (although this was 6 months ago; maybe she's lost weight). That shape being a curvier lady as opposed to the hard body, petite Thai we often see. One could liken her to a Mata 2.0, but not quite up there yet!

The Story:

Once I navigated my way to her flat, she let me in along with the usual pleasantries ("big, strong man" as the Thai like to say). Paperwork sorted, I decided to use the shower and she followed me to the bathroom. Whilst she didn't enter with me, a cheeky set of hands did and an unsolicited handjob followed (though not to completion). Best not to keep her waiting then.

Back in the bedroom, some DFK ensues, our clothes pop off and she heads downstairs (OWO, standard) then moving to the basement! I don't often get rimmed but she went full in with gusto and it was pretty damn good. Once she came up for air, she slipped the Jonny on and clambered on top and off we went. We were a bit out of sync at first but she rode me well to completion.

Once cleaned up, I turned over and she gave me a massage, by which I mean a PROPER massage! She even had a little black t-shirt on. That's easily her best skill, not to take away from her other qualities. Once she finished I was actually ready for a second round, but we'd already gone over by 5 mins, so had to call it a day. Was it a bit of gamesmanship from her? Possibly. Would I see her again! Yep!
