The Premises:

Cleanish upstairs flat on main Bounds Green Road, quite near to tube station. Very safe area, there is a log front garden which means the entrance is fairly discrete, but next door & the ground floor flat could probably see you come & go.. They seem to have different girls every day.

The Lady:

Small Singaporean girl, very slim, trim pussy, lovely firm smolish breasts with responsive nipples. Good looking girl & young (around 21).

The Story:

Not a bad punt at all. This place had two girls working, Katrina was the other - a dyed blond v slim Greek girl who had a lovely smile & would be worth going back for.

I went with Emma because she was said to do OWO (no CIM) and would play with toys etc...sounded good to me! 70 quid for massage, toy show, OWO, reverse oral & hand job..

Started off with a good massage and then the balls got some treatment and I was rock hard in seconds. She sucked me for around 5 minutes then laid back and told me to dive in. She loved it! Moaned & groaned and it felt real, as did the shuddering orgasm 10 minutes later! She told me that it was 'very nice' and then asked me if I wanted to have sex for no extra cost...well I tried but me & condoms don't get on v well and after a minute or so I decided to give up. So she sucked me some more then jerked me off over her tits. And that was fine!

Damn...forgot about the toy show...next time...
