The Premises:

First time to this establishment in MK. Ground floor location with good parking. Won't go into too much detail as it's a well known and reputable location to many of my fellow punters.

The Lady:

Curvy, Amazon type woman, close to 6ft tall bare foot. Classy brunette, great boobs, well sized, not too big, not too small, but a good handful. Noticed very subtle tan lines too. Maybe she just got back from holiday.

The Story:

I'd called ahead and was told that she would only be able to do half an hour, but I proceeded anyway, hoping her later jobs cancelled. I wish they had, because as soon as she came in, I knew I wanted more time to go to town with her. She was very friendly nonetheless and made it her mission for us to make do with the short time we had. She laid a few ground rules, to which I complied and off we went.

Heels off and we had our hands all over each other (DFK). Her bra was off in a flash, followed by my trousers, with the rest of our clothes to follow. My man was already at attention, so she was deepthroating already. She actually asked me to hold her head, which I've never been told to do so I complied and it was honestly one of the best blowjobs I've had in a long time! I laid down and she got on top for a 69 for me to return the favour, followed by a lovely shudder from her.

Jonny on, she got on top and rode me like she was at Ascot, with her chest in my face. I would have been happy to finish there and then, but I wanted to switch position to see if she was as good elsewhere. Onto mish, she had her long legs wide open, but I couldn't hold out any longer. She is very good at what she does. With a bit of time left, I turned over and she gave me decent massage.

Overall, she's an absolute gem. She knows how to do her job very very well, super friendly and I would definitely see her again. Next time, I'll come (no pun intended) better prepared.
