The Premises:

I must say that I was impressed today when Annabellas tweeted which girls were at which location rather than just listing them. Luckily the two I wanted to see were at Bletchley. Usual 1st floor flat.

The Lady:

This visit, I had booked an hour with Alya, followed by an hour with Elizabeth as I had liked the sound of her last few recent reviews. That is the subject of a separate review. Alya, like most of the Annabellas girls, is a beautiful EE girl that would make all your mates jealous if you were lucky enough to have her on your arm.

The Story:

One word of criticism first - the clock in the room had stopped so I had no idea how our time was progressing.

An hour with Alya was one of the best GFE experiences I think I have ever had with lots of kissing with tongues. The only time we stopped kissing was when Alya gave me a number of BJ's during our time together. I specifically asked Alya not to make me cum so that I could enjoy the next hour and she was such a tease especially as we concluded the hour with cowgirl, but she relented before the big event which at one point I thought was inevitable.

The hour flew by in no time and Alya left the room, leaving me to wait for Elizabeth.

If you read this Alya, remember what I told you about the Champix and good luck with your attempt at giving up the tobacco. And thank you for the most amazing hour which I thoroughly enjoyed. Hope to see you again soon.
