The Lady:

Having just finished my 1hr session with Alya, within 3-4 minutes Elizabeth entered the room. I was already naked on the bed and had put the money on the bedside table. I got up to greet this tall slim vision of beauty that stood before me with legs that seemed to go on forever.

The Story:

I didnt find Elizabeth as talkative as Alya, but she more than made up for it in an hour that just flew by. Lots of mutual pleasuring and kissing. Elizabeth didnt kiss with tongues but had this lovely technique of sucking my top lip which was nice. Finished with CIM and it was nice for Elizabeth to comment on how big a load it was - I think that fact that I had been kept on the edge for 2 hours maybe had something to do with that :)

Thanks Elizabeth for a most enjoyable hour.
