The Premises:

Anna has a basement flat in a pleasant square close to Bayswater tube. The flat is small but clean and comfortable, with a shower big enough to share.

The Lady:

Anna is a pretty young Thai woman in her 20's. She is fairly tall, with a voluptuous figure and large breasts, which are delightfully soft. She looks just like her photos.. She does speak pretty good English..

The Story:

Anna is absolutely divine. Soft, gentle (body and demeanor), with the most delicious, warm, succulent body I've played with in a long time. Gorgeous delectable smooth womanly curves, and smooth silky skin, her body is to die for. Probably a dress size 10. She's also extremely cute and adorable. Very sweet personality, softly spoken. She does an amazing shared shower, and a phenomenal massage. Her massage is the best I've had in many years, possibly ever. She's a great kisser too. She's awesome to snuggle up to after the big finish. The perfect woman.

I give Anna the highest possible recommendation. She's an absolute joy to spend time with, nothing is too much trouble for her. She provides a really high quality, immensely pleasurable service. The ultimate sweet tender GFE. She makes me feel like a king, she's sweeter than honey and one of the best Thai WGs to ply her trade in London. Time spent with Anna is time well spent.
