The Premises:

An upstairs flat in a quiet road off of Bexleyheath Broadway. It was about an 8 minute walk from Bexleyheath railway station.

The Lady:

A Chinese lady, mid 30s about a dress size 8. She had lovely C cup breasts with long nipples.

The Story:

I felt in the mood for a massage/happy ending session and wanted to avoid the parlours. The massage was performed on a bed and we were both fully undressed. Before the massage I sucked and licked Michelle's long nipples. The massage without oil or powder was excellent. It was firm, but not painful. She massaged my neck and shoulders, legs and lower back. Towards the end, the massage became very sensual with light strokes and tickling. It was very arousing. When I turned over she put a condom on me and gave me oral. I then opted for a hand finish and she removed the condom first.

I think there is another girl who works at this address.
