The Lady:

Amazing body as shown in profile photos, described as 25, maybe mid 30s, not much of a looker but does have an amazing figure.

The Story:

Terrible experience. Rude, disrespectful and does not seem to know what customer service is.

She walked into the room, she didn't say a word, got onto the bed, organised her tissues, wipes and lube and started unwrapping a condom. I said can we do owo, she said £10, I said that's fine, I've been here numerous times and this was expected. What was not expected was telling me to get out of the bed and get the money now. I handed it over and she gave an amazing BJ and deepthroat which came to an abrupt end as she started to put on the condom. I asked whether she would carry on with the oral, she said no, I said I'll give you another £10, she said no, everyone says that, I'm tired, she puts on the condom and tells me to do doggy, I said no you get on top, that way I get to see those boobs bouncing whilst I cup her ass. I did not expect what happened next, she called me lazy, turned around with her back to me and started rocking on my cock quite quickly to make me cum and she succeeded within a few minutes. She gets off, throws the packet of wipes onto my chest, washes her bits, gets changed and leaves. I'm stood there thinking what the hell just happened. This isn't the level of service I'm used to at Infinity and Vivean is definitely bringing the reputation of this establishment down with that kind of abhorrent attitude.
