The Premises:

HOD 2, basement level flat on a busy main road but no one will think anything of those coming in and out as there are quite a few B&Bs also along the road.

Pleasant, clean, safe & discreet. 2 bedrooms, one front one back, and one bathroom. Only complaint, and the girls brought this up first, is that the heating was up really high and we had to crack a window to keep from cooking despite us all being obviously sans clothes.

The Lady:

If you are looking for an accurate description of these women I recommend that you check their profiles either on the HOD website or better yet visit their twitter accounts. Both have plenty of pictures, descriptions and in Katherine's case an adultwork profile which goes into incredible detail not only about herself but all the services she offers.

To try and quickly sum up though; Eden is in her early 20s I would say, petite being just over 5ft tall and very curvy with some wonderful piercings and a multitude of tasteful and unique tattoos. Combine that with beautiful soulful blue eyes, a wonderful smile, enviable personality and you have a perfect package. She also brings her own personal speaker into the bedroom with her with an amazing playlist of tunes to really get you in the mood. Both Katherine and I loved this and it really makes her stand out even more amongst all the other ladies I have met.

Katherine is in her 30s, tall, the top end of 5ft and when in heels likely inches into 6 and also very curvy with no body art. This being said both ladies are works of art in their own ways and completely, wonderfully natural. Katherine is completely down to earth also with a wonderful smile and incredible skills in the bedroom and no doubt beyond it! Whatever you are into I have no doubt Katherine can have you screaming her name in pleasure (or pain if that's your kink).

The Story:

I'm faced with a conundrum here; How can I possibly put into words how amazing my experience with both 'Katherine' & 'Eden' was? The entire hour was perfect from beginning to end, Eden I

already knew and Katherine I had been eager to meet for some time.

I won't be going into graphic detail, what occurred between both these amazing ladies and I will remain between us but needless to say it was a wonderful hour with lots of fun, intimacy and orgasms all accompanied by the amazing playlist Eden had pumping through her portable speaker that she brings with her during bookings.

One highlight was poor Eden being almost overwhelmed by the combination of Katherine and her box of toys, having to repeatedly cover her mouth to stop from screaming the house down with pleasure, with myself also administering intimate ministrations. It's a testament to her skill that whether male or female Katherine will pleasure you so well you may well forget where you are, who you are and even what you are!

Not wanting to leave Eden out, she simply cannot be beaten for intimacy, sensuality and femininity. She appears to be fast becoming one of HODs most popular girls and she absolutely deserves to be. It's as if she has descended from some higher plane to teach the world the true definition of sensual, intimate caring affection.

It was a pleasure to be the first person to experience these two working together on a single client, the chemistry was perfect, Eden providing the epitome of intimate GFE and Katherine somehow managing to be a jack of all trades as well as a master of all trades! Seriously if you don't have fun with either or both of these women you need to check your pulse because you must be literally dead.

I haven't often been tempted by threesomes, with this being only my second, as it can get not only quite pricey, although worth every penny, but as a man I can't multi-task. Then again it does seem to be most mens dream to disappoint two women at once.

To sum up, both 'Katherine' & 'Eden' are wonderful, skilful, intelligent and beautiful people in their own rights. If you haven't seen either of them you really owe it to yourself to do so. If it is true that we only live once, having spent an hour with both of them has left me with amazing memories that will last a lifetime.
