The Lady:

Helen is gorgeous. Photos are very accurate. Tall and leggy, curvy, slim waist, gorgeous natural boobs, come to bed eyes. She's stunning.

The Story:

I've seen Helen a few times now, and each time has been fantastic. She's quite passive and let's you take the lead, but is very responsive. Very much a GFE experience, kissing, cuddling, letting things happen naturally. OWO is great, but the sex is amazing. I can't explain it, but the feeling with her is so good and so intense. Afterwards wound down with more kissing and holding each other. She really is something special, cannot recommend highly enough.
