The Lady:

Posh, sloaney with the cut glass accent her profile suggests. I enjoyed her slim body and very long hair. I am really into the posh totty and Anastasia fits the bill.

The Story:

At first glance Anastasia comes across as a bit shy and reserved. But the first impression is wrong! She fucks and sucks like the perfect courtesan. I think she has a submissive tendency running through her. She took direction well during BBBJ.

She gets very wet and loves talking dirty. You would never have thought when you first meet her.

She is a passionate young lady, I hope she will be around for my next trip to London.
