### The Premises:

Typical apartment in central MK.

Pay and display parking outside the door (more or less)

I had to buzz a couple of times before my call was answered. I felt slightly awkward waiting in full view at the top of the stairs.

The apartment was clean and felt reasonably "high end" I asked to take a shower and was given a clean towel.

The shower was easy enough to use and had plenty of pressure and hot water. Shower gel and deodorant was available too.

### The Lady:

Shortish, blonde, very pretty, great body

Andie has an enhanced bust, not a problem for me.

She was wearing a black body with hold up stockings and looked a million dollars.

### The Story:

I had booked to see dollar, but she wasn't in as she had missed her flight. My initial gut reaction was to come back another day, but I've had some very good punts at annabellas recently So thought I'd try a new (to me) lady.

For whatever reason things didn't really work out. Not sure why. Andie offered all the services as per her profile, but we just didn't hit it off. As a result neither of us enjoyed ourselves as much as I would have liked.

This isn't a criticism of Andie. It's just how these things go sometimes...
