### The Story:

This is one of my many visits to this establishment, downstairs in Victoria. And one of my worst ever experiences.

Brianna enter the room with a black top that covers the body, she give me a kiss on the lips with a cigaret smell..

I hand over the money, and then i was already undressed, and she suggested to lie on the bed face down so she can give me a massage...

I did comply but face up, i ask where in France she is from and a bit of chat you can hear her breath anxious and she had a loud almost hysterical smile, the photos not shown her broad shoulders, she is from Algeria Brunette short, with round tits with very smal nipple and she is not slim but not curvy..

She took a baby lotion and started to massage my chest for few minutes, then she stop and said i have to tell ypu that i give oral but i don't receive, so no 69, no fingers, no anal...no cum in mouth. I said ok, then sh proceed to give a bit of oral playing also with hand, and she position far herself between my legs on the bed, she praice me for how clean i am, she then ask me of i give her the money... !! I said yes when you come in, she said oh yes my memory...

She ask me to put the condom for sex i said ok, she then lie down for some missionary, but in a pose that make it harder to go in, and soon i try some kisses on the cheek she said no many kisses, I stop and by that time my hard on is gone. so i suggested some doggy style, i was thinking to go sonce we are on 15 min amd i have such a horrible time ... we got up she kneel for a min oral with, then she wont let me touch hair or tits she took my hand away, and she positioned on the edge of the bed for as i suggested, i tried very hard to come for 5 min, she laugh loud and she ask me for a good review since is her first day !! I said the review it has to be accurate, and i mention that i am old punter with more than 37 Years on this, and she should not doing this if she don't like her job...

She said don write a review then i am sorry, i explain that we pay our money to have a good time, she insisted that is on the site what she do and don't, and then i told her not touching at all is not on the list...
