### The Premises:

Not far from Sainsbury's where I parked for free.

Nice comfortable, clean department.

### The Lady:

I've been with Jaimee several times over the last year or so, particularly in a duo with Jess.

Jaimee is pretty with a sexy, naughty smile and a stunning body . She doesn't have an ounce of fat and is nice and slim with soft skin and a beautiful pair of boobs. Every time I meet her she greets me at the door with an affectionate kiss.

### The Story:

I took along my usual bag of tricks - pink vibrator, lacy stockings and suspenders. Jaimee smiled and said, "somebody is horny!"

Whilst she was putting on the stockings and suspenders I began fondling those beautiful, soft but full boobs. Her shaven pussy was too tempting so I got down on my knees and started to lick her clit. I was able to look up and watch her attaching the suspender belt. As I nibbled away on her clit she began softly moaning. I licked a bit too enthusiastically at one point - Jaimee is obviously a bit sensitive down there she nicely asked me to slow down.

Jaimee then grabbed the vibrator and lay on the bed with her knees in the air and legs wide apart giving me a beautiful view of her gorgeous body. She began frigging herself with the vibrator and I dived in to lick her clit at the same time. She was very wet and the moaning increased until she came. With a smile on her face she said, " I needed that!"

She then got to work on my cock, sucking and licking and looking me in the eye whilst I played with her dripping wet pussy. God, she's sexy but she's even more sexy when she has my cock in her mouth! She then flipped around for a 69 with her on top giving me another chance to suck her wet, shaven pussy. I was in heaven. A good 5 minutes must have passed and then she surprised me by

pushing and grinding her pussy onto my face. She was clearly loving what I was doing and grinding down for a second orgasm. My face felt like it was locked on to her pussy until she came again.

Jaimee then asked me if I wanted a treat. I won't share what that is but suffice to say it was fucking awesome and I came in bucket loads.

Following my explosion, we laid together on the bed and chatted. She told me that looks are not really that important to her anymore, it's more how nice the person is. I asked her whether she had really cum twice and she replied with a cheeky smile "am I not allowed to?" before repeating, "I really needed that." Sexy and horny as hell - what a woman.
