### The Premises:

This is the first time at GFE Manchester (Bury) and it's a really good place, fitted out to a high standard. Staff really nice and welcoming and a lovely cup of coffee too. Only downside is parking nearby is limited but I went on Friday afternoon so to be expected.

### The Lady:

Maria and Pamela. These two ladies are so glamorous and sexy and dress to impress. You would love to have them on your arm walking into a restaurant or club.

### The Story:

The story:

I have seen Maria on a number of occasions at the Sheffield GFE and decided it would be good to see how the other half live and have a trip over to Bury GFE to see not only Maria but Pamela at the same time.

These ladies are so different and that's what I wanted. It's like the Yin and Yang in nature. I'll save you looking it up on Google lol... Briefly put, the meaning of yin and yang is that the universe is governed by a cosmic duality, sets of two opposing and complementing principles or cosmic energies that can be observed in nature. In other words you get the best of both worlds.

Pamela took me into the room and said she would be back shortly with Maria. The room was excellent, with a huge bed and a large double shower. By the time I had showered and dried off the room door opened and in walked Maria and Pamela both wearing classy underwear and high heels. I'm sure this scene wouldn't have looked out of place in the Playboy Mansion.

We hadn't discussed anything before as to what was going to happen so everything was a total surprise. I'm not going to go into every detail but will say it was like being in an unscripted 1970's cop movie with a good cop and a bad cop. Detective Maria was the good cop and used her womanly charms and those soft lips to good effect and Detective Pamela was the bad cop and

made sure I knew I was going to get punished. This involved being blind folded for a time while she used several toys on me to make sure that I co-operated. Not sure what Maria had done wrong but Pamela told her to bend over at one stage and proceeded to spank her. Maria was giggling like a school girl and I was loving it too.

The 30 minutes flew bye and I had such a good time.

Thank you ladies xx
