The Premises:

Pleasant place. Top room! Can be chilly so stand by a heater to warm up!

The Lady:

Very slim and gym toned. Lovely shape, no tattoos or piercings. Petite.

The Story:

Gia breezed in looking great and we immediately went into some sensual kissing and thrusting moves. Unlike some lasses she didn't waste starting time (eg towels, and a bag of bits to fuss about with) and we were away within seconds.

We moved to the mirror and she went down beautifully... then onto the bed- lots more superb owo and some mish / doggy. Her control and depdth were both great and when I to occasionally slow down, she was understanding. (Don't you find that some girls use that as a cue to speed up and get it over with?).

We ended with deep owo with her astride the bed on her back, head over the edge of the bed backwards, with my right hand buried in her crotch and left hand on her lovely small tits. I withdrew in time and exploded on her boobs.

All-in-all, a really, really great session and we ended with a chat about her new ventures for 2020 going well over time. Good luck.

As I am finding it difficult to make it to MK on Mondays and Fridays this was superb treat. I have found a mid-week favourite!

Thank you Gia...see you again soon.
