The Premises:

Pretty well-known, just off Constitution Hill, and just round the corner from that shop which nobody mentions any more, Blue Ice. Very handy for Snow Hill Station, though, on this occasion, I just about managed to walk up from New Street. It's a commercial area, and is certainly safe in mid-morning. In addition, boss Shannon (whom, I'm delighted to say, I've now known for twenty-five years, if not longer) has always been very security-conscious, so the yard in front is equipped with barred gate and a buzz-through system.

I hadn't had a two-girl since enjoying Shannon herself and Anna, some months ago, and, when I telephoned, earlier in the week, in order to sound out possibilities, was informed that Elizabeth (about whom I'd read several reports) and Kandi were scheduled for this Thursday, and were recommended by the very helpful and friendly Penny. I should, perhaps, explain that My usual routine has been disrupted quite badly in recent weeks, because of hospital and doctor appointments, so Friday (when I have been in the habit of enjoying Jamilla) has been ruled out more often than not recently.

The Lady:

Elizabeth is, I guess, around thirty, with a well-shaped body, in good condition, and nice big firm boobs. In essence, she is a very friendly and willing, dark-haired, girl-next-door. Incidentally, I've seen her described as having a strong Brummie accent. She does not, actually, and is, in fact, rightly proud of her Black Country one!

Kandi is in her thirties, a black woman with bleached hair. She is curvy, and bigger than Elizabeth, with amazing large boobs. She said that, when giving a massage before the main event, she does it with her oiled-up tits. Kandi had had difficulties with her taxi; it broke down, and she was half-an-hour late. However, I was quite happy to wait, and so was Elizabeth, although she'd been thoughtful and kind enough to offer me the choice.

The Story:

I'd made it plain that I am much more into GFE than PSE, and that's what they provided, as a pair of slutty, attentive and obliging girlfriends. They both kiss beautifully, and their OWOs were great also, whether separately or together. In addition, they both became juicy quite quickly, and they are both

nice and tight.

Early on, I rubbered up and fucked Elizabeth, with me standing at the edge of the bed and Kandi snogging me. Later, I lay down and had a series of turn-and-turn-about from both, one snogging and one giving OWO. This was fantastic, and I came with Elizabeth DFK-ing and whispering sweet nothings to me while Kandi worked my cock and balls with her mouth. I would award Kandi eleven out of ten for her fabulous technique.

Finally, I had a lovely rub-down from both, and we had an enjoyable and friendly conversation which even included my giving a summarised version of three of my favourite Aynoch & Ayloi stories.

I will return, and, in the meantime, will recommend most highly. I've been lucky enough to have enjoyed a good number of FFMs in my time, and this one ranks right up there with the best. These two work superbly together, and I am most grateful to them for what they did for me, especially when considering that this was my first time with either of them (and, of course, of them with me).
