The Lady:

Emma is beautiful, with a lovely face and figure; a voluptuous woman who radiates warm-heartedness and a love of giving pleasure.

The Story:

Emma was happy to wear a variety of enticing garments and enjoyed dominating as well as playing a submissive role. She has a firm and arousing touch, which made physical contact all the more exciting, and she was lovely to cuddle. She knows how to make a man relax and she was fun to talk to as well, which is very important. I couldn't have wished for a more enjoyable hour and a half of pleasure.
