The Premises:

Familiar basement flat a few minutes walk from Victoria station. Clean, comfortable and well-organised.

The Lady:

Dollar is a slim and pretty Romanian girl in her 20's, with long dark hair, a nice figure and a cute bum. She has some good photos on the website, but in my opinion she is even better looking.

The Story:

I have been meaning to see Dollar for ages, and am very pleased I've finally made it. She is without doubt a very sexy and enthusiastic young woman who makes you feel at ease from the outset. We experienced the full range of oral and sexual pleasures, and then getting lazy I was happy to be brought off by a skilful combination of hand, tongue, and mouth. Having spent time with her I can see why Dollar is so popular.
