The Premises:

About a ten minute walk from Victoria tube station. Easy to find and at the less busy end of the street. I was shown the room by the maid and after taking off my clothes had a nice shower.

The Lady:

I confess to loving Romanian girls. The dark hair, the dark eyes and beautiful faces do it for me. Jamiee has the figure of a model with beautiful natural breasts, long lovely smooth legs, a perfect bum and a nice shaved pussy. Add her bubbly, friendly personality and it soon becomes evident why she is one of House of Divine's most popular girls they have ever had. Don't worry about her face being blurred on the House of Divine website. You certainly won't be let down! In fact, you won't believe how lucky you are to be spending time with such a beautiful woman.

The Story:

After my shower, Jamiee entered the room at exactly 5 o'clock and greeted me with a kiss. She was wearing the pink outfit that she was wearing on the House of Divine website photo and I complimented her on it. She asked me what I would like and I said could I have OWO, 69 and sex, to which she agreed. Firstly, I asked her to bite my nipples, which she did before she got between my legs and gave me some amazing OWO. My cock was beginning to get hard and after she said it was time for 69, it was fully erect. She has a lovely technique and her pussy tasted gorgeous. After a few minutes of bliss, it was on with the condom and we had some nice slow missionary sex, with her pinching my nipples. As this was the second time that I have seen Jamiee, I remembered how good she was at riding my cock so I asked her to go on top. I could feel myself getting close to coming so I asked if I could go on top again. I pulled out and eventually came. I look forward to seeing Jamiee again in the future and can't wait to cum into her mouth one day.

A truly special girl. Fun, friendly and provides a great service. I can't believe that it took me eleven months before I finally saw her again yesterday!
