The Premises:

Quite clean place on the road so a bit tricky to find but the receptionist was good with directions

The Lady:

This girl in her own word is a petite diamond, she is tanned beautifully

Has an ass to die for

Lovely curves all over

She stands about 5 ft 3 ish when the heels are off

Very small but you know what they say - dynamite comes in small packages!!

The Story:

She walked in and I think was a little taken a back. I must say I hadn't shaved so she may have thought oh my days her comes this rough around the edges kind of guy. We got to talking and after the paperwork I striped and she couldn't keep her hands off me!

She immediately connected with me!

Gave me a great shining... had to limit her hand action to avoid me busting a nut.

I said I'd return the favour as it's only right given she had come all the way from Spain lol

Gave her a bit of tender kisses down below And she really was involved

All the way enjoying.

On with the sleeve - and we switched positions like the weather

Missionary was great had her moaning

She came on top and rode me to Jupiter and back

She kept kissing me and cuddling me (i am tired she said as our sweat mixed) it was an intense session I must say

I said nothing better than me finishing watching your back sliding back and forth on my weapon
So on to doggy and it was compete euphoria!! I whispered I love your Spanish ass and she said

give me more of that black Cock - don't stop so I happily increased the momentum to climax!!

To an end it came she said that was nice - I said you'll definitely be getting booked again when you next back and she smiled :)

Overall 10/10 for me - thank you baby!!
