The Premises:

Monita lives in a nice basement flat in Earls Court. Not too far from the tube station. Easy to find, private. Very comfortable inside. Quite a small room, but the facilities were good and it was cosy.

The Lady:

She's definitely the girl in the pictures, and her age is about right. Her hair is slightly straighter in person, but she was very well presented. Super slim and quite toned, and all natural. Very naturally pretty facial features. Her English is reasonable and she can get by, but she uses the app that a number of the Russian girls have started using I've noticed. Didn't need to rely on it too much, we were busy. She's a very sweet, very accommodating young lady and I would recommend her.

The Story:

Monita was wearing just a floral bra and a pair of panties when she answered the door and a pair of heels. She looked adorable. She was comfortable and relaxed, and gave me a nice big passionate kiss. I grabbed a nice handful of ass before following her through to the bedroom. She seemed to enjoy the flirting.

After the shower we got straight down to it. Started with a nice OWO blow job. Nice technique, and pretty deep too. She makes some lovely noises when she does this. Not as good as the Russian girl I'd seen the day before, but she was still very good. Got her on the bed and more kissing and fondling. She has great tits and they are very sensitive. I went down on her and gave her oral which really got her going. Then we had sex in missionary and doggy. To be honest, although I was having a great time, I'd seen two girls the day before and I was getting a bit tired. I try to make the most of my trips to London, but I'm not getting any younger LOL! Monita had no problem finishing me off with her mouth. She worked fast and very sloppy, again making those noises that were so sexy. I played with her tits whilst she did it and it wasn't long before I popped in her mouth. I had already agreed to pay her an extra £50 for this, which I happily paid before I left.

A nice girl, a little chatting before leaving. I would see her again if there weren't so many other great choices!
