The Premises:

Discreet apartment in central blechley, very clean, parking nearby free.

The Lady:

Stunning romanian girl, pornstar looks, tasteful tattoos, tanned body. peachy butt.

The Story:

Have been punting at anabellas for a few weeks now, so thought it about time to write some reviews.

Arrived at the apartment and was shown to the room by the maid, got myself comfortable.

Few moments later Andie came in wearing a skimpy little dress, it was like a pornstar coming onto set, anyway paperwork sorted, we both undressed and some light kissing and rubbing her sweet pussy and licking her fine tits.

She asked me what I wanted, she started with a deep sloppy BJ, I was hard within a couple of minutes.

I then just said to her lets fuck she smiled and said sure, she put the bag on my hard tool and started with cow girl, I then had to move onto doggy, as she likes watching herself, she gave a dirty little smile to me in the mirror, her boobs swinging everywhere as I was going hard and fast at this point, she then let me unload over her butt and back, that was heaven.

Unbelievable punt
