### The Story:

I made a last minute booking with Alexa, thankfully she was available.

When I first walked in to the flat, she opened the door and greeted me with a smile and was very welcoming. Put me at ease and relax straight away. She showed me to the room and offered me a drink. She was running a little behind and said she need to freshen up, which I don't mind. She walked in with the drink and paper work done... woooooeweeeeeeeeee WOW

She was such a beautiful lady so getting hard was almost instant. Her oral skills kicked in and it was amazing. Plenty of DFK and OWO. Rubber on and she rode me really well and we did different position. Rest you know how it goes.

I must say that I don't tend to write reviews unless I had an amazing time with the lady. Alexa was so amazing, beyond my expectation. My only regret is that I have not seen her earlier!! See her and you won't be disappointed at all.

Thank you so much Alexa, hope to see you soon x
