### The Premises:

A clean and functional flat in a discreet location just off of a main road. It was a bit awkward to get to, not being very near Bexley Railway Station.

### The Lady:

I saw the girl pictured. Oh wow, she had really lovely breasts. I'd wager a D cup and they were natural too.

### The Story:

I had a very good experience. There was a bit of a language barrier, but she was friendly and there wasn't a rush. The only negative was the bed which was really low. I received covered oral which was very good and we proceeded to have sex in doggy position to completion.

For once I didn't draw the short straw and I got to see the girl profiled.
