The Premises:

Easy incall booking in Earls Court. A place I've been to a number of times before. Quiet and no-one around. Close to station. Neat and tidy inside, large spacious bedroom and very comfortable. Shower was good etc.

The Lady:

Elga is a lovely woman, I have to start like this because I was so very pleased with her service. However, she does not look like her pictures unfortunately. There is some serious photoshopping going on. Not the agency's fault of course, I know they can't meet everyone they have on their website. However, I did let them know and they thanked me for that information. What they do with it will be up to them. I just think it's fair to let others know on here that the woman you're going to get is a lot bigger than the one in the pictures.

For me this isn't a problem, I like large woman as well as small, slim girls. It's mostly about the service in the end isn't it? And Elga made sure I was happy. She's probably around that age, definitely in her 30's, but not older than 40 I don't think. Very large boobs, and she's all natural. But as I said, she's a large woman. She has a belly and she has rolls around her side etc. when you look at her from behind. Elga's English is pretty good, and she is very friendly and playful.

The Story:

She wore a nice nightie type thing with bra, panties and a pair of hold up stockings. She looked the business and was very sexy. It wasn't long before we were kissing very passionately and she was releasing those giant tits. I had a good play with them before we slipped into some OWO. She was very eager on my cock and sucked it real nice. Wet and quite deep. She likes a bit of dirty talk too, and it seems to encourage her. I like this.

We moved onto the bed and started fucking in missionary. She was very hot and very wet already, and it wasn't long before she came, and I'm pretty sure that was for real. Before I left she thanked me for this too, would you believe? By this time I was pretty damn close too to be honest, but I had to play a little more with those big boobs, so it was off with the condom and I grabbed the lube from the bedside table and lubed them up for a ride. I fucked her tits with plenty of encouragement from

her. She was telling me that I was a bad boy for “coming into her house and fucking her” etc. it was a lot of fun. At the end I decided to have her suck me off again. This was the highlight of the punt. She sucked again and carried on and on until every last drop of my cum was taken in, and then she carried on even more after swallowing the lot. I was literally writhing in pleasure.

A great service! A shame her pictures are so photoshopped, I would have probably chosen her anyway, and certainly would have had I known how good the service would be.
