The Premises:

Smallish house on the outskirts of Blackburn. It appears to be the family home. The place showed signs of her having recently moved in, but was clean and tidy all the same.

The Lady:

Good looking without being a stunner. She is mixed race, which gives her skin an attractive cafe au lait colour. Claims to be size 10 which seems about right, and has a toned body with nice legs and a very firm arse. On my second visit she had short, almost boyish length hair. Breasts are firm B cup with nipples that extend significantly if given some TLC. Age is given as 34 on her A/W listing: I wouldn't quibble with that.

The Story:

I have seen Sophie a couple of times now on the back of some good comments elsewhere. Both sessions were pretty similar so I have combined them into this one review.

Sophie met me at the door wearing a grey/black nightgown. Not the most attractive garment, but it soon came off to reveal just bra, panties and stockings underneath. She lives less than 30 minutes' drive from me so no need to shower as I had dealt with that just before leaving home.

Straight in to DFK which continued pretty much throughout when our mouths were in touching distance. OWO, RO with some fingering - which seems to turn her on big time - then 69 and sex in several positions. First time round was a CIM finish and the second session ended with HR. On my second visit she seemed to be rushing a little bit. In fairness, she apologised and said she had a friend calling round to take her Christmas shopping. I wasn't short changed on time, but wouldn't have had time to take a shower if I had wanted one.

Sophie is a friendly, horny and willing partner. Tidy looking too, but without the X factor that makes the very best girls stand out IMO. Local to me, not over expensive given that OWO and CIM are inclusive, and attractive enough face, body and personality means that I have her as as solid Plan B.
