### The Premises:

Appartment in the northern quarter just outside the city center.

### The Lady:

Hollie is as per the description on the web site. Photos are of Hollie. Bit of touching up which i would expect of an escort site but accurate Canadian accent. Accurate age i would say. Early to mid 20's. Hollie was in lingerie when i arrived.

### The Story:

Had a shower and then we kissed for a minute before i massaged and went down on her.

Great OWO then sex.

Great punt for 45 mins. Not rushed and very chatty all the way through.

Will return.
