The Lady:

I hadn't seen Nicola for at least a year maybe more but she remembered me and the review I had left her last time.

She's dyed her hair a much darker colour and it really suits her. She's the same gorgeous, smiley, fit, happy person and never fails to disappoint when it comes to making you feel special even if you're only there for 30mins.

The Story:

We got straight into FK, then I asked for a bit of face sitting which was actually a 69. What did I care, I just wanted her divine pussy in my face! Her OWO is quite sublime - wet and silky! What more could a horny man ask for? Then I asked her to kneel on all fours on the bed whilst I ate her from behind, my tongue switching between her pussy and tight bum hole. Then I lay her on her back as I think if I remember correctly she knows I'm quite good at making her come which she most certainly did (as her juices tasted heavenly) and she's quite vocal!

My cock was now throbbing and I love taking a girl doggy in front of the mirror with me on my feet but riding her for all she's worth! I was pulling her hair back and giving her quite a hard but rough fuck which I could see from her face in the mirror that she was liking! I knew I wasn't going to last long but it was fantastic while it lasted!

I know she does anal which is an extra for which I'm happy to pay for but I think I'd be too big for her which is shame. I shall live in hope!

This is a bit late Nicola but as promised here is my review. You always put a smile on my face so a huge THANKYOU! xxx
