The Premises:

I found Angelique staying in a modern and bright apartment off a main road. She has organized everything there for me to have a great time.

The Lady:

Angelique is always smiling. She looks pretty much like the pictures, her hair seems a bit darker.

The Story:

After reading the reviews I was expecting fireworks and that is what I got from Angelique. This was a quick one hour booking as I was in the area and took the chance to see her before anyone missed me. I didnt need sex, her oral skills were masterful. And does she rim deep! She deepthroats with a struggle which she seemed to love. And I blasted my cum down the eager throat of this naughty minx.

I get hard just thinking about her and what she did to me with her mouth and tongue.
