The Premises:

Have been a few times to visit for a Rub and Tug. Usually the girls are very pleasant and accommodating. Ground floor flat in Central Wimbledon. Access right by the main door to the flats and once in its warm, clean and comfortable. Bed is clean and ample space to change. Good shower and soaps with clean towels.

The Lady:

Slim attractive lady, I am convinced she's not Chinese but probably Thai. Not accommodating as the other masseuse are. Didn't like being touched and she's not "into it" if you know what I mean, quite a mechanical attitude.

The Story:

Started off really well, dressed as requested and once disrobed she had a good body. The back and leg massage was very good and just at the point of being firm but not uncomfortably so. Went a bit downhill when I wasn't allowed to touch her and she kept moving my hands away and positioning herself in a way to make it difficult. Once she saw that she swiftly moved on to the hand relief which was OK but could have been so much better with a little less "robotical" attitude. It felt to me that I had got to see her at the end of a very long day and she almost dressed me and pushed me out the door. I can highly recommend Zhangri La but not this lady.
