The Premises:

Safe neighbourhood off Tott Ct Rd. Flat was dark - no lights in bathroom - limited facilities but clean. Shared with another girl who I saw. If you come at wrong time with another client you may get the bed in the extended kitchen area - not so good.

The Lady:

Japanese, nice looking and in good shape. Medium nipples and breasts. Nice pubic area very clean and soft. Average height and weight. English not yet great. Not the girl in the photos and agency unhelpful when fed this back afterwards. Pretty enough though. Prob late 20s.

The Story:

The girl I met was not the one on the photo. She was nice but not what I was expecting. There has been a bit of texting to agency before I settled on her so disappointing. Service pleasant but somewhat limited and a little rushed. Text to agency office was just met with 'she is Chigusa' - no she was not: even the girl showed me different pictures of herself and had never heard the name! Submitted review. Lots of noise to begin with until I suggested she relax. Bit fast to strip when I asked not to. Nice nips. Cheek only offered for kissing. Happy to offer rear view and contact. Not happy to offer prostate massage. I only asked hand job and indirect contact but no problem for full sex I suspect (protected of course). Quite quick to want to finish me after enjoying my attentions. Whole thing under an hour.. Not hugely skilled would probably not revisit but nice character and willing.
