### The Premises:

Very tidy parlour, clean welcoming rooms with showers

### The Lady:

Very busty and curvy blonde, exactly as described on parlour website except probably doesn't do her justice.

### The Story:

Very very pleasant girl, recognised me from a previous visit, and was very welcoming. Has a really chatty girl next door way about her. Bit of a flying visit on the back of a busy day, but she provided exactly what I needed, sort of punt that leaves you feeling good about the experience.
