### The Premises:

9th floor apartment with lift. Expensive, secure underground carpark. Busy but safe area. Shower & refreshments NOT offered. Flat was grubby and had girls working in other rooms.

### The Lady:

Did not see the pretty girl in picture. She was "busy"; was met at door by a younger chubby girl, about 5'6", with large breasts on show through a rubber dress. Too much make up for my taste & an unfriendly attitude. She insisted on vaping & blowing it around me. Though Romanian, she spoke some popular English.

### The Story:

Was well & truly scammed. I made the booking as I wanted to see the pretty girl in the pictures. I got an unfriendly, cold young girl (she said she was 21). She refused to kiss or give or receive oral. I didn't feel attracted to her or turned on by her; she was so cold. After very quick sex she spent the remainder of my time laying in positions so that I couldn't touch her. There was no affection what so ever. When I made the booking I gave my age & an honest physical description of myself, was told she was happy to see me. Please save your money & avoid as I doubt the girl in the pictures is even there.
