The Premises:

MK2 with easy parking opposite and outside. I had met Gabriella earlier when she let me in for my first booking of the day with Paris. Once in the room, she remembered me from earlier.

Very clean and new place in easily accessible location.

The Lady:

Quite short without her heels on, I think she has had fillers in her lips but they looked amazing and added to the sex appeal that she oozed. I had a feeling this was about to be a full-on session and I wasn't far wrong!

The Story:

3rd and final booking of the day and I was about ready to explode having completed 2 quite different and enjoyable sessions with Paris and Jasmine.

Full DFK to begin with and this continued throughout the booking.

Once on the bed, Gabriella gave me a handjob, very deep OWO, and covered sex in cowgirl.

Gabriella was happy to allow me to finger her, in fact I would go so far as to say she couldn't get my fingers in deep enough as she pushed back as my fingers slid in and out. This progressed to 69 when again Gabriella was taking dirty and forcing her pussy onto my waiting tongue.

Throughout the session, Gabriella talked dirty and I found this a real turn on.

As we approached the end of the session, I asked for CIM and Gabriella was more than happy to oblige.

What an amazing experience. If you want to experience a true PSE session then I cannot recommend Gabriella highly enough.

So happy I had the experience but I don't think I could last for an extended booking with this horny nymph.

Every punter needs to have the Gabriella experience at least once!
