### The Premises:

The meet took place at MKE's base of operations. Building was clean, warm and cosy and I had access to a shower. Plenty of free parking nearby .

### The Lady:

I have met Olivia before, but had not seen her for a while. I confirm that her pictures match the lady in real life and are accurate. Olivia is an elegant, stylish lady with all the curves you could wish for. She has a personality and spirit to match too. A very engaging and caring lady who makes you feel ten foot tall when you are sadly departing her company.

### The Story:

I knew life would throw me in the vicinity of MKE at some point on a Thursday afternoon and was going to have to take pot luck as I rang up to find that Olivia was available. I was led up to the room by a very cheerful maid and had a quick freshen up. Olivia was surprised to see me (I usually say if I am coming but because my arrangements had no structure, I hadn't confirmed anything today, in case it didn't work out). I absolutely adore the ultimate GFE experience and Olivia delivers on this always. I enjoyed the passionate kiss we shared whilst she was still clothed and I was naked, but not for long as she took off her dress to reveal a black bra and fishnets, and the bra soon exited.

We kissed like long lost lovers, if I had a multi hour booking, we would have easily gone the first hour in a snogfest. DFK is such a turn on for me in a meet and I was complimented by Olivia, who was taking my breath away. Shortly after, she went down on me, demonstrating a very delicate 'less is more' technique that honestly had me throbbing in a way I had not experienced for such a while.

After some more kissing, it was my turn to go down on Olivia , and an opportunity to demonstrate my own oral skills (I have great feedback elsewhere for this). Equally this is a turn on for me and my own throbbing continued as I could feel Olivia quiver and her muscles tighten as I explored her. More kissing ensued.

We had to step things up and with a condom on, Olivia went on top . Olivia went down on me with her soft touch technique which brought me to an explosive ending. More kissing before we departed and I will not leave it so long next time.

Olivia is a wonderful companion and a lady that I absolutely adore. A wonderful experience every time.
