### The Premises:

Met at London Retreat - legendary haven for lovers of domination. Very discreet - clean, comfortable, welcoming. Met in the smaller room - mirrored walls and ceilings very hot indeed

### The Lady:

Katie is relatively new to the Retreat. This was the first time we met. The photographs on her profile absolutely match what she looks like in person. I am a fan of busty mistresses and she is both that and also very beautiful indeed. She reminds me of the Australian film actress Toni Collette. She's gorgeous. In her early 30s maximum I'd say.

### The Story:

Katie greeted me in friendly manner - listening attentively as I described what I was looking for from the session. She embraced the role play we discussed and maintained a wonderfully intoxicating, teasing, wonderfully cruel dominance over me throughout the entire hour. Katie may be new to London Retreat but she's clearly not new to BDSM - she's amazing skilled - gave me a wonderful time. My favourite mistress at the Retreat since her fellow Antipodean, Mistress Helen. Long may Katie stay at the Retreat - I'll be going back again and again to see her.
