Chloe is a tanned and toned young lady, with a great figure. Quite petite, with long dark hair. Great pair of boobs that are natural.

The Story:

As soon as I saw Chloe's pictures on the Ego website, I just knew that I had to find time in my schedule to go and see this new lady. I'm really hoping that someone can fill the void created by the departure of Poppy and Charlie.

I have to say that Chloe is incredibly sexy, but also great fun and down to earth. A delightful girl to talk to and have a laugh with. But more than the talking, I was mesmerised by the sight in the mirror of this young lady with the most banging body imaginable, treating me to a great massage. Body to body whilst both on my front and back was an incredible experience!

When the time came for the happy ending, it was delivered with loads of oil and with my cock having a party with Chloe's outstanding boobs!

Chloe is definitely a welcome addition to the Ego roster of girls. I left feeling happy, relaxed and grateful that girls like Chloe are around to give us men a great time! Thanks Chloe.
