### The Premises:

Smart premises on outskirts of Milton Keynes. Nicely decorated, shower facilities, clean and discreet. Free on street parking close by.

### The Lady:

Grace is an English lady in her early 30's, extremely busty with fantastic all round figure (all natural). She has gorgeous eyes, a lovely bubbly personality and is extremely enthusiastic in everything she does.

### The Story:

Apparently Grace used to work at Annabella's about 10 years ago and has just returned after a lengthy break. I must confess I did not see her when she worked at the Agency originally which was clearly my loss! So glad I've met her now though. There were two main things that prompted me to make a booking to see Grace - a cheeky photo of her wearing a micro denim skirt in her on-line profile and the fact that she likes to kiss which for me is an absolute must.

I was shown to the room by the maid and after a couple of minutes Grace made her entrance wearing a figure hugging dress. WOW, WOW, WOW. We were into the kissing straight away and I knew from the outset this was going to be a fun and exciting meet. Barely 30 seconds into the meet, still snogging each other, Grace had my trousers undone, the fly was unzipped and she had my hard cock in her hand. Whilst I proceeded to remove my upper clothing Grace was on her knees taking me deep into her mouth. For me, this was full on sex at it's best which was what prompted me to write my first ever review! I was expecting things to slow down just a little but to be honest the tempo did not change at all .. I was up for it and loving it! We switched from Grace giving me deep oral to me returning the compliment by licking her sweet tasting pussy and teasing her clit. I also rimmed her sexy bum .. well, it would of been rude not too, it was so inviting! After lots of mutual foreplay on went the condom and we then fucked missionary (my choice) for several minutes before I could hold out no longer and announced I was going to cum. Grace's response to this was that I wasn't to waste my spunk in the condom but I was to cum in her mouth .. well, being the gentleman that I am how could I refuse! She didn't waste a drop.

We then had a relaxing chat. Grace is not only a very sexy lady but also a good conversationalist (another turn on for me) and we found we had a number of things in common which I'm sure will be explored further during future visits - yes, there will definitely be future visits!

Round two was taken a little slower, but no less enthusiastically, before I came in her mouth again.

This meeting, as I have said, was pretty full on and I loved every minute of it but Grace seems to be a good judge of situations and if you prefer to take things a little slower I have no doubt your desires would be fulfilled. She actually told me that her satisfaction comes from giving pleasure and ensuring people have a good time and therefore adapts to any situation.

I have been punting many years and seen lots of lovely ladies, but the visit to Grace prompted me to write my first ever review which is testament to how highly I rated her. Here's to the next time.
