The Premises:

typical rental property and ground floor rooms converted into working rooms

The Lady:

ROMANIAN nice early 20's fit young body, petite say a size 6 really, tattoo's but cross eyed beyond belief

The Story:

Well never really been one for doing reviews and thought with this one I had to, we've all seen the disinterested type and only doing the job for one reason..... BUT bloody hell this one took the cake so bad I just had to share

firstly she was cross eyed I didn't know where to look but she had a nice body and roger got the better of me so I stayed, paid 60 for 30 mins and 20 extra for OWO

I have been punting for a number of year and never have I met such a disinterested person, OWO lasted best part of 10 seconds.... reddy 4 fuk!!!

yeah course I am (NOT) said you feel free to carry on and make me feel as if I'm getting my 20 quids worth, then we went on for about another 30 seconds and had the DONT TOUCH MY PUSSY

... then this time didn't bother to ask and covered the old boy with a party hat and said come on you on top, I said lets do doggy because if I see those eyes I wouldn't know where to look, now here's the best bit she wanted me to think I was inside whilst rubbing up against her hand.... so moved around a bit and managed to get in much to her dismay.... because it was so shit I just closed my eyes and thought of my best experiences shot my load cleaned up, wiped up, and fooked off

So all in all a really shit punt with the a most disinterested cross eyed moody Romanian, would advise all to stay away from Garrick it's as if the Assylum released patients here

Never going Romanian again pure and utter shite!
