The Story:

It was coming up to my birthday in a few days time and I wanted to treat myself before and after my birthday so my first appointment was with Laura and I was not disappointed

I called HOD3 and arranged to see Laura at 3 pm for half an hour as the time approached I rang the door bell and I was invited into a room and was offered a glass of water which I accepted.

I then got the paperwork ready and started taking off my clothes off.

Then Laura came into the room and she was drop dead gorgeous.

She checked out the paperwork and then we got to business. She firstly started kissing me which morphed into DFK which then led to me sucking her tits as she took off my pants and then she started to rub my cock.

She then started to suck my cock which got very hard and then she put the condom on me and we had sex in the cowgirl position as I sucked her tits and DFK her until I climaxed.

After which we continued to DFK,

I then sucked on her tits and she gave me a hand job and blow job and then the half hour was up and we got changed and I kissed Laura one last time and said goodbye as I head back home smiling.

I really enjoyed my time with Laura and will hopefully see her again soon

Thanks you Laura
