Details of Service Provider:

The Premises:

Easy to find address on a quiet housing estate. Premises are clean and warm. Good parking and no concerns.

The Lady:

About 5ft tall attractive well presented with curves in all the right places. Softly spoken with a pleasant personality.

The Story:

Shown to the bedroom where we got the paperwork out of the way. Both got undressed and lay on the bed. She puts you at ease very quickly and is easy to get on with. Bit of kissing and cuddling and then she went down on me. This is where this lady excels.

Many people will say unbelievable oral skills when it's not much better than average. That isn't the case here.

A lot of tongue work while down her throat. Very skilled at it and is very confident with what she is doing.

Had to ask her to stop after about 5 minutes as I was getting close and it's not an experience you want to end too quickly.

Lots of eye contact while doing it and she clearly loves what she is doing to you.

As I only wanted the owo I can't comment about her riding skills but if it's half as good as the oral it will be something to savour.

Not a clock watcher and never felt rushed at any time.

Pleasant chat afterwards and a genuinely nice lady.

Highly recommended.
