### The Premises:

### The Lady:

Demi is Caucasian, 5ft 7", long dark hair and lovely green eyes. Body is amazing, firm and toned with nipple bars. If you look at the website you will get an idea of what I mean and her photos are 100% accurate. No tattoos, flat stomach and a decent size of cleavage which is firm. Amazing soft skin.

### The Story:

I first met Demi a few years ago and having not seen her over a year decided to book her again, I had forgotten how great she looked and how good she was as an escort. She has a dirty laugh and is exceptionally easy to talk too. Works in both Edinburgh and Glasgow through the Edinburgh City Escorts Agency and is fantastic value for money.

On the last occasion we met, we dispensed with all the usual chit chat, got the paperwork out of the way and got naked and on the bed. I was determined to make as much of my time with her going on past experiences. Demi started by stroking my balls and cock and she has the most amazing delicate touch, which is enough to get you going. Moved onto oral which is great as well, very skilled and takes it deep. Also she is a fantastic facesitter if that's your thing, really smothering you with a great tasting pussy and ass, both of which she likes tongued. Knew exactly when to get the condom on and I know doggy is her favourite position. Only problem for me was I knew I wouldn't last long so we went straight to good old missionary, with her wrapping her gorgeous legs round my back while I got fired into her.

After we were done there was lots of kissing, cuddling and running her hands over your body, but there was no way I could manage a repeat performance. Plenty of chat and no watching the clock. Personally I've been lucky enough to meet her a few times in the last few months and she always leaves me with a smile on my face.

Definitely well worth every penny and the best experiences I have ever had from an escort.
