The Premises:

Ground floor flat a few minutes from local tube. Bedroom, no couch, two mirrors and large double bed. Bath / shower very clean.

There was another girl living there - I didn't see her but I heard her..

The Lady:

Pretty lady no more than twenty five years old. About five foot, huge pair of enhanced tits, firm body, Tattoo on back. Website photos are not accurate to be honest. Her english is very limited and very shy..

The Story:

Arrived at place early and got buzzed in - met the girl in the outfit I requested (too be honest the outfit looked very good on her) but we got into the bedroom and the room was so very dark I could barely see her, I asked her to turn the lights on and she acted if she didn't understand me.. At this point I made the mistake of continuing the appointment - I gave her the money and got undressed , led to the bathroom where I was expecting a shared bath with Gina - no it hadn't been added to the information to Gina from the agency.. So I have to have a shower alone - not impressed..

Back into the room and it became very apparent that we just didn't click - very shy girl and we didn't kiss at all - went through the motions but it wasn't great time with her..

Now The only reason why I am not putting this as a negative review is that the back massage was very very good..

Overall the appointment with Gina was a mistake as I probably should of contacted the agency about the problems ongoing with the appointment but I didn't(that was my mistake which I will not be making again- make sure that all you are asking for is confirmed and remind them of the requirements again before the appointment - I will be..)
