Both ladies have blurred photos on the website and twitter but both are gorgeous, both have great tits and a twinkle in their eye, not skinny but very sexy

The Story:

This is not my first punt but my first review.
Have visited Annabella's a few times before but my first visit here.
Have wanted to see Vanessa for a long time, wish I had done it sooner.
Decided to opt for a threesome and Vanessa was always going to be the one, happy to see Angelica also working who had also caught my eye on Twitter.
Called the maid and relieved to hear they both do two girl but not interactive. No problem.
I booked Vanessa for the hour with Angelica joining halfway.
Arrived on time and was shown to the large room downstairs, offered a drink which I accepted.
The 'gorgeous' maid brought in the drink and advised Vanessa would be joining me shortly.
Vanessa soon bounces in the room and was very happy she looked even more beautiful than I imagined.
She has a great smile and immediately put me at ease.
Immediate dfk like we had met loads of times before, great start!
I asked for a lap dance and sat in the stool.
Vanessa gave me a great view as she slowly dances and stripped off.
Lots more dfk and we were soon on the bed.
I started with RO and she was making all the right sounds, she then repaid the favour with woo

finishing with cim and swallow.

I would have been very happy just seeing Vanessa but the meet then got even better when

Angelica walked in at just the right time.

Angelica was very chatty and the girls seemed to get on well.

Angelica stripped off her white bra and panties and sat on my face while Vanessa gave me some more pep.

The girls then swapped positions for a while. Both gorla gave incredible head and have lovely sweet pussies - I wish I had made a longer booking just to keep swapping in those positions.

Angelica then said she wanted to fuck me and put on the rubber while I carried on tasting Vanessas sweet juices.

Angelica sat on my cock and fucked me hard before asking me what position I would like.

I asked for doggy and she duly obliged.

By far the best part of the meet was about to happen as I pumped away in Angelica, I looked back to see Vanessa with a big smile on her face and a vibratory in her hand!

She switched it on and held it against my balls as I carried in fucking Angelica for as long as I could!

Once finished the girls lay either side of me and we talked about a range of things like old friends.

The alarm went off to signal time up and to my surprise neither girl jumped up.

Soon after we dressed and said goodbyes.

An absolutely perfect meet, my only regret I didn't get to shag Vanessa. A good reason to see her again.

A fantastic meet and thoroughly recommend both girls.

I think Vanessa is the best I have seen yet x
