Ego Massage is always (when I have been there) spotlessly clean and looks well maintained.

### The Lady:

Short, pretty, friendly, easy conversationalist.

### The Story:

I was quickly taking a shower when Chloe entered the room looking great in the sexy tunics that Ego girls all wear along with black hold ups.

She asked how I wanted to start and offered me the option to massage her with oil, I agreed and she lay face down on the table and I straddled her and massed her back, bum and tops of her legs, which was really nice, we then switched to her massaging my back and we talked about what she had been doing for the last few years and how she was enjoying working at Ego (this was her second week) when came the time to lie on my back she continued the body to body with my cock between her breasts and eventually this moved on to her massaging me to the eventual happy ending. Very nice and I shall look to visit Chloe again.

Good looking, lovely body, easy to talk to very happy ending.
